## MEMORANDUM OF AGREEMENT/FINANCE – 2022

1. Fees will be determined by **Axis Learning** and are binding on the parents/guardians of the enrolled pupil/s and are payable to and recoverable by **Axis Learning**. Fees are payable per year, per term or monthly for 11 months.
2. A 10% discount benefit is offered for settlement of term tuition fees. A 15% discount benefit is offered for settlement of annual tuition fees.
3. Fees are calculated and paid over an 11- month period, excluding December.
4. Our Centres remain open for the full year and only close in December. Lessons continue during all other school holidays as per the normal schedule. Should you be away we request you to advise us so that we can reschedule these missed lessons as catch ups.
5. Fees exclude optional exam preparation workshops/ NBT/ SAT workshops.
6. Fees are a monthly fee and are dependent on the options chosen. Any additional hours will be charged for over and above the monthly fee at a rate of R520 per hour.
7. Monthly fees are billed on the 25<sup>th</sup> of each month and are paid in **ADVANCE** and **must** be paid by the 3rd day of each month.

Please initial here.....

8. Siblings receive a discount on the tuition fees.
9. A R400 enrolment fee is applicable for Science, Afrikaans, Accounting and primary school maths.
10. A R950 enrolment fee is applicable for Gr 7 to Gr 12 Maths which includes the annual online registration fee for our 'You Can Do Maths' program.
11. Workbooks will be given to all high school students. These workbooks cover the entire years' work. The workbooks will be charged with the first account. Gr 10-12 – R480 and Gr 6-9 – R380.
12. Due to COVID regulations and hygiene we require that students bring their own stationary, calculators and markers. No sharing will be allowed.
13. **Axis Learning** reserves the right to refuse access to the centre should any of the above payment options not be adhered to. The onus is on the parent/guardian/s to ensure that payments are made timeously.

14. In the event that the parents/guardians decide to cease the lessons, **A ONE-MONTH WRITTEN NOTICE** must be given to the centre. The parents/guardians will be liable for any fees until the end of the notice period.

Please initial here .....

15. All Guests/Visitors entering onto the **Axis Learning** property do so entirely at their own risk. Right of Admission is reserved.

16. All guests/visitors agree to indemnify **Axis Learning**, its owners and employees and hold it blameless against acts or omissions not directly or indirectly related to our gross negligence or acts and occurrences beyond our reasonable control.

17. **Axis Learning**, its owners and employees will not be held liable for any loss, theft, fire or damage to any personal belongings. **Axis Learning**, its owners and employees, shall not be held liable for loss of life, bodily injury or damage to or loss of property or vehicles parked at the Hurlingham or Lonehill Office Park.

18. It is the responsibility of the parents/guardians to ensure that students attend all lessons. In the event that a lesson cannot be attended, at least a 2 hours' notice must be given, and it is the parent/guardian/s responsibility to organise a make-up lesson at a suitable time. If a lesson is missed without notice, the lesson is forfeited.

Please initial here .....

I hereby confirm I will make no claim whatsoever against **Axis Learning**, or any of its staff members, for injuries or any other damage of any kind whatsoever or for any article of clothing and/or equipment which may be lost or damaged.

## **SIGNATURE FROM PARENT(S) OR GUARDIAN(S)**

I, \_\_\_\_\_ signed at \_\_\_\_\_ do hereby acknowledge that I have read, understood and agree to abide by the conditions of enrolment as set out above.

## Annexure B - Lesson Structure

### Maths

#### Grade 7 to 12:

Students meet with a tutor in a small group for **1 hour every week**, then have the option to engage in **independent** practice of the related concept for **30 minutes** after the lesson.

Students attend another optional **60 minutes per week of online revision** with 'You Can Do Maths' at the centre or this can be done at home. This is done to reinforce concepts and to ensure students are exam ready.

**- This is a total of 2½ hours per week**

### **Grade 2 to 6:**

Students meet with a tutor in small groups for **1 hour every week**, where we focus on building the student's number foundation and capacity for further maths learning. Our problem-solving skills for junior students are designed to cultivate resilient and resourceful learning habits.

### **Science, Afrikaans, English and Accounting**

Students meet with a teacher in a small group for **1 hour every week**.

### **Annexure C - You Can Do Maths Programme**

Why YouCanDoMaths?

- 100% CAPS aligned for NSC and IEB
- Follows the national teaching guidelines and order in textbooks
- Grades 7 to 12 in English and Afrikaans
- Developed by experienced South African Maths teachers for South African learners
- Price is very affordable
- Tutors can track progress of learners
- Can add parent email for weekly reports

The YouCanDoMaths program

- Covers the full curriculum (currently more than 600 structured and concise lessons)
- Each lesson includes a teaching video, notes and a test with fully worked answers which only become available after the test has been completed and marked (by the computer)
- The scores of all completed tests are recorded in a Progress Report
- The tutor facility gives the tutor access to the Progress Reports of learners to keep track of tests done, their scores and number of attempts
- Includes revision lessons for grades 7 – 12, which are ideal for test and exam preparation

Platform 1 The Station,  
63 Peter Place,  
Bryanston  
info@axislearning.org

- Includes revision tests for Grades 10 - 12 with 3 different levels: easy, medium and difficult
- Learners have access to the Maths Dictionary at all times
- The program is very user friendly
- All learners need a valid email address and access to the internet
- The program can be accessed anywhere, at any time and on any device at school or at home
- Learners get access to their grade and the previous one, allowing them to plug gaps
